सभापति, राज्य सभा  
CHAIRMAN, RAJYA SABHA

**F O R E W O R D**

Rajya Sabha, as an integral and organic part of our Parliament, represents the States and Union territories and upholds federal character of our polity. Besides, under article 80 of the Constitution, the provision of nomination of twelve Members by the President of India from amongst those who have special knowledge or practical experience in the fields such as literature, science, art and social service makes the composition of the Rajya Sabha distinct and elevates its position as a mature and deliberative chamber of our Parliament.

As a vibrant democratic institution, it reflects rich diversity of public opinion and varied socio-economic spectrum of the country through its elected and nominated Members. Rajya Sabha, since its inception in 1952, has had Members from various walks of life, contributing towards consolidating democracy and playing significant role in nation-building. Men and women coming from diverse fields of our collective life such as farmers, agriculturists, industrialists, scientists, engineers, lawyers, teachers, educationists, artists, litterateurs, doctors, journalists, civil servants, social and political workers, etc. have been Members of the Rajya Sabha imparting strength and vitality to the House.

Among the distinctive features of this House is that the Vice-President of India is the *ex officio* Chairman of Rajya Sabha as per the Constitution. This constitutional provision has enhanced the dignity and prestige of this House. Rajya Sabha, since its inception, has had persons of great eminence as its Chairmen who have guided remarkably the House in its deliberations and helped establish high traditions, conventions and procedures to regulate its business. All of my illustrious predecessors have played a significant role in securing an important place for Rajya Sabha in our parliamentary set up. Together, the Chairman, the Deputy Chairman and the Members have the onerous responsibility to strengthen the parliamentary democracy and contribute to the sacred task of building a new India.

Citizens of the country, especially the youth, who represent idealism, hopes and aspirations, are inspired by the biographies of nation builders including statesmen and political leaders, as these provide valuable insights into their lives. With this larger objective, a compendium was brought out in the year 1991 and again in 2003 to provide brief and relevant information about the Members of Rajya Sabha since its inception in 1952, in one volume.

I am happy to note that the third revised edition of this publication has been brought out now, capturing the brief biographical sketches of all the Members as well as the Chairmen, Deputy Chairmen and Secretaries-General from 1952 to 2019. I hope that it would be a useful reference source to all those who are interested in knowing about our parliamentarians and the parliamentary functionaries, closely associated with the functioning of the Rajya Sabha.

I congratulate the Secretary-General, Rajya Sabha and his entire team of officers for bringing out the revised and updated edition of '*Rajya Sabha Members Biographical Sketches: 1952-2019*'.

(M. VENKAIAH NAIDU)

New Delhi;  
31 October, 2019

## P R E F A C E

Members of Rajya Sabha represent the States. There are 28 States represented by the Members who are elected by elected representatives of State Assemblies in accordance with the system of proportional representation by means of the single transferable vote. The representatives of the Union territories in the Rajya Sabha are chosen in such manner as Parliament may, by law, prescribe. Allocation of seats to be filled by the representatives of the States and the Union territories is laid down in the Fourth Schedule to the Constitution. At present, only three Union territories namely, National Capital Territory of Delhi, Puducherry and Jammu & Kashmir (*w.e.f.* 31.10.2019) are represented in the Rajya Sabha as they have Legislative Assemblies. Besides, twelve Members are nominated by the President of India from amongst those who have special knowledge or practical experience in respect of such matters as literature, science, art and social service.

Members of Rajya Sabha have come from diverse fields representing cross-sections of society. This publication aims to present the brief information about Members who have adorned the benches of Rajya Sabha since 1952.

The first edition of the publication titled '*Rajya Sabha Members Biographical Sketches 1952-1990*' was brought out in the year 1991 which contained the brief bio-data of about 1400 Members of Rajya Sabha. The second edition of the publication containing brief information about 1800 Members of Rajya Sabha was brought out in the year 2003. Since then, more than 450 new Members have been elected/nominated to the Rajya Sabha. All these changes have necessitated updating and revising the publication. The present edition, which is the third edition, contains brief biographical sketches of the Members of Rajya Sabha from 1952 to 2019. The total number of Members elected/nominated to the Rajya Sabha since its inception is 2282.

The brief biographical sketches of the Members of Rajya Sabha included in this edition are mainly based on the information published in the biennial editions of the '*Rajya Sabha Who's Who*' brought out by the Secretariat. It contains the brief bio-data of Members as on 31 October, 2019.

While compiling the bio-data of the Members for the updated edition, emphasis has been given to the parliamentary and legislative positions held by the Members during their career. Besides, information regarding the educational, literary achievements and other accomplishments including awards and honours have also been included in the bio-data. In case of some Members whose bio-data are not available due to their short tenure as the Member of the House or those Members whose bio-data were not received for inclusion in the '*Rajya Sabha Who's Who*', their names, the States represented by them and tenure of the membership of the Rajya Sabha have been included without any other details as these were not available. The party affiliation and the States which

the Members have represented in the Rajya Sabha have been included on the basis of the information contained in the latest edition of the '*Rajya Sabha Who's Who*' brought out during their tenure. The subsequent developments in a Member's career after the completion of his/her tenure as a Member of Rajya Sabha have not been mentioned; however, only in such cases where Members have held high positions such as the President of India, Vice-President of India, Prime Minister of India, Speaker of Lok Sabha, Union Ministers, these details have been included in the bio-data. The tenure of the membership of Lok Sabha subsequent to the retirement of the Member from Rajya Sabha has also been included on the basis of the '*Who's Who Lok Sabha*'.

A sitting Member of the Rajya Sabha can be identified by an asterisk (\*) mark against his/her name. In the case of Members who have passed away, the date of obituary reference made in the House in their respect has been given. In case of some Members, only the date of death has been indicated on the basis of the information available in the official records of the Secretariat.

This publication contains only the brief biographical details of the former and present Members of Rajya Sabha besides the brief bio-data of former and present Chairman, Deputy Chairman and Secretary-General, Rajya Sabha. In case of detailed information about a Member, the relevant edition of the '*Rajya Sabha Who's Who*' may be referred to. This publication is also available on the Internet at <http://parliamentofindia.nic.in> and <http://rajyasabha.nic.in>.

I take this opportunity to express my deep sense of gratitude to the Hon'ble Vice-President of India and Chairman, Rajya Sabha, Shri M. Venkaiah Naidu for his inspiring Foreword.

I would like to place on record my appreciation to those Services/Sections who have been associated with this publication particularly the LARRDIS, Table Office, Printing and Publications Service, Editorial and Translation Service.

Though utmost care has been taken to ensure that this publication is brought out without errors; however, in the compilation of such voluminous publication, it is likely that some inadvertent omissions/errors might have taken place despite taking care to avoid them. The Rajya Sabha Secretariat will be grateful if the same are brought to its notice for rectification in the next edition of this publication. I hope this edition will serve as a useful reference book to those who closely follow the functioning of the Rajya Sabha in our democratic polity.

NEW DELHI;
